# FOREWORD

As grandmother finds in her linen chest treasures of lavender and lace in which she lives again her youth, so shall we in later years look back as we turn the pages of this book, and there shall be reminiscence and delightful memories of the "halcyon days of yore" spent at dear old Elkhorn High when we were carefree, jubilant boys and girls.

# CLASS HISTORY

We, the Senior Class of 1952, started on our journey through high school life in 1948 under the leadership of Miss Hazel Arnold and Mr. Joe Botto. We were glad to welcome our new classmates from Thornhill. We then had a total of seventy students. Howard Lee Graham was elected class president. During that year, we took part in many activities, but still we were only "green freshmen" in the eyes of our upper classmen. We crawled through the halls like worms until one fatal day it happened. "Our initiation!" We suffered agony, but when it was all over we felt as if we really belonged. As the year rolled around, we made the annual freshman trip to Louisville where we visited many places of interest.

Then came our sophomore year, and what a happy feeling to realize that we were no longer mere freshmen. The whole school began to open their eyes to the fact that members of the sophomore class would soon be taking their places among the leaders of the school. It was this year that the football team and the band made their debut at Elkhorn School. Here's where our class began to shine. Of our twenty-four boys, ten of them went out for football, and nine of our classmates went into the band. Our class president was Patsy Young and our sponsors were Miss Helene Arnold and Mr. John E. Jenkins. We thoroughly enjoyed our trip this year to Berea and other places of interest along the way.

It was now time for us to begin our junior year. This was the year in which many of our classmates earned prominent places in the music department, on the student council, and on the basketball, football, track, volleyball, and cheer-leading teams. Now we knew that we could get the class rings that we had longed for so many years. Our sponsors for this year were Miss Hazel Arnold and Mr. Albert Powell, and we chose Hugh Crutcher for our president. Mr. Wilbur Tincher, Jr. directed our play "The Daffy Bills." Our trip took us to one of the Seven Wonders of the World, the Mammoth Cave.

On September 4, 1951, forty-three seniors entered the halls of Elkhorn to complete their final year of high school training. We had eagerly anticipated this time because we realized that we had now reached an important stage in the life of every high school student. Under the guidance of Miss Christine McCoy, our sponsor, and Howard Lee Graham, our president, we made our senior year a very profitable and enjoyable one. With the help of the Elkhorn P. T. A. we sponsored the most successful Hallowe'en Carnival that had ever been given at Elkhorn.

Now that the end of our journey has finally become a reality, we are looking forward to the annual senior trip to Washington, D. C.

## STUDENT COUNCIL

The chief aim of the Student Council of E. H. S. is to bring about a better understanding and attitude of students toward our school. One very important goal we have worked toward is to make every person connected with this institution conscious of the fact that the way he conducts himself reflects either to the glory or the detriment of Elkhorn.

We have undertaken some worthwhile projects and are encouraged in the progress that we have made—projects such as the publishing of the student manual, improvements of conduct in the cafeteria and in the corridors, and the development of more pride in the general appearance of our school.
